GATE-Unloading

The screenshot displays the 'GATE-Unloading' interface within the DIGI PURCHASE PRO system. The interface is divided into a sidebar and a main content area. The sidebar on the left contains navigation links: 'WH Incharge', 'Gate', 'Unloading' (highlighted), 'Vehicle Status', 'Loading - Contai...', 'Loading - Contai...', 'Loading - Truck', 'Quality', 'Accounts', and 'Purchase'. The main content area is titled 'Unloading' and features a form for processing unloading requests. The form includes a tabbed interface with 'STO / Return / Wheat Purchase / Gate Pass' and 'Purchase' tabs. The 'Purchase' tab is active, showing a form with the following fields: 'Vehicle Number' (TN57BR7984), 'Movement Type' (Purchase), 'PO Number' (2800001349), 'PO Line Item' (10), 'Wheat Variety' (GUJARAT-AMRELI-LOKI), 'Bocker Name' (SUBASH COMMERCIAL CO(WH BROKE), 'Supplier Name' (SUBASH COMMERCIAL CO(WH BROKE), 'Driver Number' (Enter Driver Number), 'Vehicle Type' (Truck), 'Plant Description' (NLFD_SILO), and 'Storage Location' (SL01). At the bottom right of the form, there are two buttons: 'Wait Outside' and 'Gate In'.

GATE-IN-Unloading

- Here in this page the vehicle number is shown in a dropdown and the user will select it and other details like movement type ,po number and other details will be displayed automatically and the user wants to enter the driver mobile number before **GATE-IN**
- Now the entry was moved to weighment page

Weighment page

The screenshot displays the 'Weighment' page in the DIGI PURCHASE PRO application. The sidebar on the left lists various navigation options, with 'Weighment' currently selected. The main content area is titled 'Weighments' and features a search bar for 'Truck No' containing the value 'TN57BR7984'. Below the search bar, the 'First Weight' section is visible, showing a 'VA Number' of 'RMSDTSIL2400000001', a 'Vehicle No' of 'TN57BR7984', and a 'First Weight' of '4000'. A 'Connect to Scale' button is present next to the vehicle number. At the bottom of the form, there are 'Cancel' and 'Submit' buttons. The top right corner of the page indicates the user is 'SUPER ADMIN Admin'.

- Here the user wants to enter the truck number and he click the search button the details like VA number and vehicle number was displayed
- By clicking the connect to scale button the First Weight was taken from the weighbridge application
- After getting the First weight the user saves the data and it will move to the Quality Check page
